DESIGNER TINY HOMES FOR NATURE,
BUILT IN SOUTH AFRICA

TINYHOME
AFRICA

INTRODUCTION

At Tinyhome Africa, we design and build extraordinary spaces that bring you closer to nature without compromising on comfort or style.

Our Glass Cabins are crafted for those who value beauty, simplicity and a deeper connection to the outdoors. Sleek, modern and made to reflect their natural surroundings, these cabins offer a truly immersive escape—whether in the forest, mountains or by the water.

BUILT IN SOUTH AFRICA

Proudly designed and manufactured in South Africa. Every Glass Cabin is precision-built in our factory in Strand, Western Cape using high-quality materials and expert craftsmanship.
We deliver nationwide, ready to be placed in your chosen location.

LOCAL DESIGN. LOCAL MATERIALS.
BUILT FOR AFRICA.

WHY MIRROR GLASS?

FLUSH GLAZED, FRAMELESS APPEARANCE
Seamless, modern and elegant. Our glass is flush glazed for a clean, minimalist look that disappears into nature.

SOLARSHIELD MIRROR SAFETY GLASS
High-performance glass that reflects the surrounding environment while allowing natural light to fill your space.

PRIVACY DURING DAYLIGHT
Enjoy privacy and peace of mind. The mirrored finish offers daytime privacy by reflecting the outdoors.

REDUCED SOLAR HEAT GAIN
The mirror coating helps reduce solar heat gain, keeping your cabin cooler and more energy efficient in all seasons.

TOUGHENED LAMINATED SAFETY GLASS
Our glass is toughened and laminated for strength, safety and durability, perfect for all environments.

REFLECTION OF SURROUNDING FOREST
Designed to reflect the beauty around it. The mirrored surface blends your cabin into the landscape, creating a breathtaking visual experience.

PERFECT LOCATIONS

Our Glass Cabins are designed to enhance the beauty of exceptional locations. Wherever nature inspires, our cabins belong.

CONSTRUCTION

Engineered for beauty, comfort and durability. Our Glass Cabins combine precision steel framing with premium materials and expert craftsmanship to deliver exceptional quality in every detail.

DESIGNED AND BUILT IN SOUTH AFRICA

LOCAL EXPERTISE.
GLOBAL STANDARDS.

STEEL FRAME FOR FLUSH GLAZED BEDROOM
Precision steel frame engineered for seamless, flush glazing and maximum views.

SOLARSHIELD S10 FOR FLUSH GLAZING
Premium mirror safety glass that offers privacy during the day, reflects the surroundings and reduces heat gain.

LIGHT STEEL FRAME FOR BATHROOM / KITCHEN / LOUNGE
High-strength, lightweight steel frame for structural integrity and design flexibility.

HIGH PERFORMANCE INSULATION
Premium insulation for year-round comfort, energy efficiency and sound reduction.

ROTHOBLAAS BREATHABLE MEMBRANE
Advanced breathable membrane protects against moisture while allowing your cabin to breathe for a healthier interior environment.

COLORPLUS STEEL CLADDING
Durable, low-maintenance steel cladding available in a range of contemporary colours that withstand the elements.

PREMIUM FINISHES
Carefully selected finishes and fittings for a refined, modern interior experience.

FACTORY BUILT & CRANE DELIVERED
Precision-built in our factory, then delivered by crane and ready to connect on site.
